Note: These are tentative dates only. Kindly call or check with us in advance for confirmed dates. Class dates may exceed or may be cancelled due to unforseen events.

We take a hands on approach to training. The combination of theory, practical and thorough class work produces the best professionals in industry.

•Regular classes from 09:30 to 16:30 Hours.

•Year round training courses

•Post Level II Courses in Radiographic, Ultrasonic & Eddy Current Testing

•Dedicated & Industry experienced ASNT Level III Instructors

•Economical Accommodation close to training facility

•Special course dates provided on request. Call us if you do not find a suitable schedule.

•Free full refresher courses on renewal of certification

•Best infrastructure. State of the art NDT Instruments and test specimens for hands on experience. Large electronic question bank is available for use of the participant during the training course.

•Fee includes course materials, lunch and refreshments.

Ultrasonic Time of Flight Diffraction, Automated Eddy Current, Ultrasonic, Immersion testing, UT Weld Testing (TKY), Film Interpretation.

Join us for an in-depth analysis.

Inviting all Engineering Professionals, Technicians, Construction & Maintenance Personnel.

Build your career with N D T T E C H. Not Just Certification!
